Medium	#2D2512	#F5A623
Low	#122D23	#00C88A

Usage Guide

Backgrounds

- **Deep Navy** #0B1220 → overall page background and sidebar
- **Dark Surface** #121E30 → card containers, panels, modals
- **Elevated Surface** #1A2B42 → row hover states, active items, dropdowns

Accent — Plasma Teal

- Primary buttons (Log Hours, Save, Submit)
- Active nav link indicator
- TRL progress bar fill
- Kanban column active border
- Chart highlights and data callouts

Typography

- **White** #FFFFFF → headings, key numbers, page titles

- **Muted** `#B0BEC5` → body copy, input labels, captions, helper text

Status Colors

Use these only for their assigned meaning. Never mix status colors with the Plasma Teal accent.

- Milestones → Pending = Neutral · In Progress = Warning · Completed = Success · Overdue = Danger
- TRL badges → use Success for reached levels, Warning for current, Neutral for future
- Kanban cards → Low = Success · Medium = Warning · High = Danger
